COVIDSafe GUIDELINES for VENUE USERS

Dear Users,

To help maintaining the safety and well-being of everyone concerned, when you use our facility, please ensure that the following suggestions are applied:

- abide by the current Social Distancing Rules of 1.5 metre apart and keep the total attendees within the maximum limit allowable of the room
- keep a complete list of attendees and their contact details
- advise your members NOT to come if they are unwell
- wipe down tables, chairs, surfaces with disinfectant **before** and **after** use
- advise attendees to practise good hand hygiene
- limit the use of showers and kitchen
- suggest members to download COVIDSafe App if they can and have the phone with them.

Thank you and keep safe.
